Keep the appliance and its cord out of reach of children aged less than 8 years. Cleaning and user maintenance shall not be made by children.
- Never use the cord to carry the appliance use handles to carry the appliance.

## **PARTS**

- FRONT GUARD
- 2. SPINNER
- 3. FAN BLADES
- 4. GUARD MOUNTING NUT
- BACK GUARD
- MOTOR SHAFT
- MOTOR HOUSING
- 8. OSCILLATING KNOB
- 9. SWITCHES
- 10. SWITCH COMPARTMENT
- 11. LOCK SPRAIN
- 12. UPPFR TUBF
- 13. TUBE CONNECTOR
- 14 LOWER TUBE
- 15. CROSS BASE

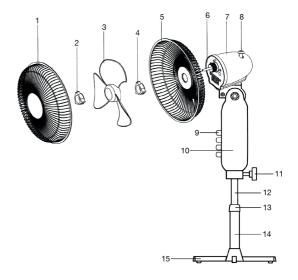

# **ASSEMBLY**

- 2. Extend upper tube, insert the tube connector through upper pipe onto lower tube and tighten.
- 3. Attach the motor with switch compartment onto the upper tube. Ensure the switch compartment is pushed fully onto the upper tube and secured with the screw provided.
- 4. Loosen Guard Mounting Nut from the Motor Housing.
- 5. Position Back Guard firmly to Motor Housing and then fasten by turning Guard Mounting Nut clockwise tightly.
- 6. Push the Blade along Motor Shaft. Fasten it firmly with spinner by turning counter clockwise.
- 7. Hang the Front Guard to Back Guard with the position fixer provided at the rim of Guard, and then fix together with clips provided.

# **OPERATION CONTROL**

- Before using the fan, make sure that it is on a flat and stable surface. Damage may occur if the fan is placed on an incline.
- Insert the plug directly into a standard AC socket-outlet. Be sure that the plug fits tightly into the socket outlet.

- Press any of the buttons "1", "2", "3" on control panel to start the fan
- The fan speed will depend on button you choose
- Press button "0" to switch the fan off
- To make the fan oscillate, push down the oscillation knob
- To stop oscillation, pull up the oscillation knob
- To alter the pitch (angle) of the fan, release the pitch adjustment clamp, alter the angle, and re-tighten the clamp
- To alter the height of the fan, release the locknut for lifting, extend the shaft to desired height, and re-tighten the locknut

# CARE AND CLEANING

To safely take care of your fan, please remember to follow these instructions below:

- Always remove the plug from the socket-outlet, and allow the fan to stop completely before cleaning the fan.
- Do not allow water to drip on, or enter into the fan housing.
- Always use a soft wet cloth to clean the body, and vacuum cleaner to clean the dust from the blades.
- Do not use any of the following agents as a cleaner: Gasoline, Thinners, or Benzene.
- In case of malfunction or doubt, do not try to repair the fan yourself, it may result in a fire hazard or electric shock.
- Clean the fan grill, housing and base with a soft damp cloth.
- Do not attempt to remove the fan blades. Please use caution around the motor housing area.
- Do not allow the motor, or other electrical components to be exposed to water.
- When storing your fan in the off-season, it is important to keep it in a safe dry location. It is important to protect the fan head from any dust. We strongly recommend using the original box, when storing the fan away.
- When cleaning the fan blades ensure that the fan is switched off from the mains supply before removing the guard.

- 1. This appliance has been fitted with a BS UK compliant plug which should not be replaced or removed.
- 2. The plug is fitted with 3 amp fuse link which is suitable for this type of appliance and should only be replaced by a fuse link of the same rating.
- 3. If access to the fuse link is only possible by removing the plug cover this must only be done by a suitably qualified person.
- 4. If the plug or the mains cable of this appliance is damaged do not use and dispose of the appliance responsibly.
- 5. This appliance is a Class 2 appliance protected by double and reinforced insulation and does not require earthing. Class2 appliances are indicated by this symbol marked on the appliance rating plate.

#### Information on Waste Disposal for Consumers of Electrical & Electronic Equipment

X This symbol indicates that this product should not be treated as normal household waste and it should be recycled. Please take it to your nearest collection facility or for further details contact your local council or visit www.recycle-more.co.uk,
